

Verano Residents Council

1/28/10

Present: Andrew Hatch, Tia Peterson, Raphaelle Rabanes, Ashlie Taggert, and 2 residents

- Major Resnet issues
 - Residents of Unit 6 present to explain the issues that they are having with Resnet
 - HDTV question, campus tele-video that we get cable from offers it and so residents would like VRC to inquire about it for Verano Place
 - Wall outlets connections issues (port blocking) with an inadequate Resnet response according to the resident.
 - VRC resolves to meet with Resnet to further explore our communities technology issues
- Update on Community Center Recreation Sub-Committee: Carrie
 - Last week progress was made.
 - Some issues with suggested new ideas.
- Update on Child Care Center: Andrew
 - A desire to centralize the facilities.
 - Mostly serves faculty and staff.
 - Why should we pay for this?
 - As an alternate we should push for community center not childcare.
- Next meeting we should tackle budget, events, and purchases.
- Verano annual survey questions– Tia will forward VRC's suggested changes.
- Elections commissioner \$500.00 Approved for hiring one.
- Ashlie will sit on HA hiring committee if scheduling permits.
- Cyber Café hiring in April and Raphaelle will sit on that committee.
- Andrew's wife is an HA thus he cannot sit on that committee.
- Ashlie will book Commons for VRC for Feb. and March.
