

# VRC Meeting 9-21-09

Present: Carrie Carmody, Andrew Hatch, Ashlie Taggert, Tia Peterson, and Raphaelle Rabanes

- Welcome Week:
  - A question was raised regarding whether we want a garage sale to take place at the same time. The council voted no as AGS just held a garage sale and now that we have vendors coming to the event there really isn't room.
  - Ashlie will ensure that the fire road is left open to make room for the TK Burger truck.
  - A decision was made to buy kids meals that include beverages rather than order additional beverages from TK burger.
  - A reminder was made that we need to add the words "bring blankets" to the advertisement.
  - Andrew will submit a form for the rental of the cotton candy machine to Gail R.
  - In addition to the live musicians we have, Raphaelle and Tia will make appropriate itunes mixes for the down times.
  
- Additional items to add to our meeting with VHO:
  - Questions about a charge for staying past the move

out date, left hand turns on Verano Road, and how evictions are handled.

- Newsletter: At the next meeting we will divide up routes for the letter that we will each print and place in our respective laundry rooms.
  
- Updates on Resident's Concerns:
  - Bus stop signs were discussed with VHO who said an impact study would be required by parking and transportation and that it would be costly. The roads in the community are managed by parking and transportation not VHO and thus decisions cannot be made by Verano staff about traffic issues. However, awareness regarding the laws regarding bus stops can be raised through the community newsletter. It is illegal to not stop for school buses and VHO will remind the police department that we would like more enforcement at their next meeting.
  - The laundry cart has been returned and Rapahelle will tag it with VRC so that hopefully residents will note it is community property and should be left in the laundry room for all to use.
  - The dog issue has been resolved.

- The issue of reserving the community has been resolved by a minor modification to the policy allowing for someone who has rented a room twice on a weekday to rent again not more than a week before the event. This allows someone else to use the room and the person who wants the room more than twice can use the room in the absence of another person wanting the space.
- The issues of air conditioners, car washing, and car maintenance are not yet resolved as neither Beverly nor Gail C. was present at the last meeting with VHO and they are needed to discuss these issues.
