

Verano Resident's Council Meeting 10/10/07

Present at the meeting:

1. Tom Pine
2. Suzanne Kaasa
3. Carrie Carmody
4. Katie Pine
5. Tia Peterson
6. Daniel Kang

Intersections

- Both intersections where Adobe Circle meets California are dangerous for pedestrians.
- Could they be lit up as the Vista Del Campo intersection is?
- Could there be more streetlights or better maintenance to ensure that they are fixed quickly when they malfunction?
- Resident has contacted UCI's Department of Parking and Transportation and received no response
- We will discuss this with housing at our next meeting.

Community Event Funding

- Guidelines in addition to those already in existence: funding of events for our residents will now be accomplished by setting a ceiling on the amount of money we will fund for each event and then providing a certain amount of money per person up to that ceiling (ex. \$10 per resident up to the \$140 cap on the event).

Welcome Week

- Tia – pick up cups from the storage cabinet
- Carrie – will email Gail R. to request that she pick up 30 lunchables and 25 20-lb. bags of ice.
- Suzanne – will set up email sign-up sheets
- Need to recap the event at our next meeting
