## VRC Elections: Don't Forget to Vote!

The Verano Residents' Council elections are taking place this month between May 17-May 21. There will be a Meet the Candidates Forum hosted on Thursday, May 14<sup>th</sup> at 7:00 p.m. in the Verano Commons. Voting will be performed electronically on the student EEE website, as well as by ballot box in the housing office for non-student residents.

## Update on Cat Ban Policy

The Verano Residents' Council sent a letter to campus housing administration and other campus department heads taking a stance against the new cat policy moratorium which can be found at the link below. Sadly, Housing Administration and the office of the Vice-Chancellor have chosen to disregard the requests of the majority of housing residents.

## Community Improvements

The VRC has recently purchased a new TV in the Verano commons which is available for use by all residents. Enjoy! We would like to make some additional improvements to the community with remaining budget funds but are asking for more input from the community to find the best use for our money that will best serve the community. Please contact us with any suggestions or ideas you may have at [vrc@uci.edu](mailto:vrc@uci.edu).

## Thanks to all who attended the Pub Night Event

We had a wonderful event at the Anteater Pub last month on April 14<sup>th</sup> with 64 attendants. Thank you all for attending, We would like to host one more fun event for Verano before our term comes to an end on June 30<sup>th</sup>. Please contact us with ideas or funding requests.
