

## VRC NEWS

A Monthly Publication by YOUR Residents Council

**June 2009**

### Summary of Our Work

Time flies. June will conclude the term of this VRC. We are very grateful for serving our community with your support.

Some of our work this year include:

- fighting to change the graduate housing guarantee policy
- fighting to keep the rent increase at historically low 2%
- organizing a range of community events such as the welcome day party, VRC open house and pub nights
- funding community events such as the Indian music night, the Chinese New Year event, and the movie night
- purchasing a number of items for community needs such as free rental DVDs available at Cyber Cafe, BBQ, umbrellas and a new movie system (projector and big screen display)

### Congrats to the New VRC

We are pleased to introduce the new VRC for 2009-2010 including returning council members Carrie Carmody, Tia Peterson and new members Andrew Hatch, Raphaele Rabanes and Ashlie Taggart. Congratulations!
