VRC Open House!

The VRC will host an open house event on Nov. 11th, Tuesday 7:30pm at the Verano Commons. VRC members will be there to hear and discuss any issues or suggestions our residents may have. Or just come by to say hi, meet other residents and enjoy some light refreshments.

VP Budget Planning & Rent

The budget planning for the Verano Housing has already started this year. Given the turmoil in the current economy, it will be a tough time for everyone. The VRC is working very hard to keep our rents as low as possible. We will keep you updated on this.

Check out Cyber Cafe

Do you know you can borrow DVDs from Cyber Café for FREE? The VRC made donations to significantly expand the DVD collections.
