VP Budget Planning & Rent Increase

The budget planning for the Verano Housing has already started this year. With the current budget crisis rents could go up significantly next year. VRC meets with VHO every other week and we are working very hard to keep our rents as low as possible, but we need to hear from residents on how this will impact them. Please let us know where you stand and what you think is a fair increase. We will keep you updated on the budget process.

VRC Open House and Thank You

We had a special catered meeting on Nov. 11th meant to meet residents and hear your concerns, and thanks for those of you who came to the meeting. We'll be having an Open House event each quarter this year.

Finals Week Treat

VRC proudly sponsors Finals Week Treat - hot cider and cookies for finals week at Cyber Cafe. Take a break and get a snack during your busy week! And Thank You to Housing staff for putting this out for residents. Good luck on your finals and have a great holiday season!
