

HAPPY HOLIDAYS

VRC NEWS

A Monthly Publication by YOUR Resident's Council

DECEMBER 2009

VRC Neighborhood Block Party:

The Verano Residents Council is looking for a few people from each apartment building who would like to volunteer as leaders to help organize a potluck block party. The idea is to have a big get together with the residents from three or four apartment buildings. This will be a fun and great way to get to know your neighbors. We have already had several volunteers, but we still need many more, please contact us to join in.

Notice about Car Maintenance Policy:

Car Maintenance is currently stated in the Verano handbook as being strictly prohibited. However, as stated on the parking and transportation website (http://www.housing.uci.edu/documents/vp_parkingregulations20090615.pdf) this only applies to major car repairs, minor car maintenance is allowed in parking lot 20 of Verano Place community. The Verano handbook will be updated to reflect this information. Before performing any car maintenance on your vehicle, make sure you read and comply with all relevant university, state, and federal laws regarding hazardous waste and safety.

Holiday Events:

If you would like to personally host a community wide holiday event funded by the VRC, or suggest an event for us to host, please contact us with details and announcements. .
